

Helsinn announces launch of oral formulation of Akynzeo® in China

Lugano, Switzerland, June 9, 2020 – Helsinn, a Swiss pharmaceutical group focused on building quality cancer care and rare disease products, is pleased to announce that the oral formulation of Akynzeo® for the treatment of chemotherapy-induced nausea and vomiting (CINV) has been launched in China.

Helsinn's partner Mundipharma (China) Pharmaceutical Company Ltd. has exclusive marketing, promotion and sale rights for the oral formulation of Akynzeo® in China. Helsinn is responsible for supplying the drug and co-detailing the product in Shanghai while retaining all international development rights, including clinical development activities.

Riccardo Braglia, Helsinn Group Vice Chairman and CEO commented: "Helsinn is committed to helping as many patients alleviate the debilitating side effects of chemotherapy as possible. CINV is a significant burden for cancer patients and their families and so we are pleased that Akynzeo® will now be made available to patients in China."

ENDS

About Akynzeo® in China

Akynzeo® - netupitant and palonosetron hydrochloride capsules (0.3 g netupitant/0.5 mg palonosetron) was approved on Aug 2th, 2019 in China and is indicated in adults for the prevention of acute and delayed nausea and vomiting associated with highly emetogenic cancer chemotherapy, and prevention of acute and delayed nausea and vomiting associated with moderately emetogenic cancer chemotherapy.
